**Pictures in the Hallways of  
Ol' Forrest (What Memories!)**

The portraits of the young men and women featured in framed composites lining the hallways of Forrest are one of the greatest tributes to our graduating classes. In observing these treasures of the past, we are transported back to a time when the various classes were represented by youthful faces and a wise and beloved faculty.

These composites represent pride of achievement and a goal reached by these young people. They will leave the security of the familiar and embark on new journeys. They will carry with them a foundation of academic attainment from Forrest to further learning or finding a fit in the work world.

The framed class picture composites are like monuments to Forrest graduates. **BUT WAIT – NOT ALL SENIOR CLASSES HAVE A FRAMED PICTURE!!** That's right – for whatever reason, the composites of the classes '76 and '77 were never made. The classes of '78, '80, and '87 were not professionally done. The classes of '58 and '59 appear to have water damage.

I'm happy to report that the class of '87 has had their composite redone. The classes of '34, '41' and '91 have been repaired. All this work was done

by your Forrest Alumni Association. We will have the other composites made, improved, or repaired as we have funds to do so. Thanks to Sheila Harber for overseeing these restorations.

**The Cost of Framing and Restoration?** The class of 1987 will have their new picture composite at the August 4<sup>th</sup> Reunion. The cost of having this done was \$600. That sounds like a lot of money...and it is!! So we are asking for donations to quickly catch up on this project; otherwise, the restoration process could take awhile. If you want to help out, write a check to the Forrest Alumni Association for the purpose of "Framing" and send it to Rick Sweeney, 1502 Hunters Chase Drive, Chapel Hill, TN 37034. Thank you.

### **4<sup>th</sup> Annual Trivia Night**

The fourth annual Trivia Night benefitting the scholarship fund was held January 21<sup>st</sup>. There were sixteen teams participating. Winners were Stacy Cothran, Nancy Warden, Vivian Hall, Cecile Wiser, Caroline Wiser, and Matthew Wiser. Forrest faculty and staff attending were Brenda Brown, Elaine Huffines, Meredith Floyd, Cathy Jordan and Mary Ann Whitley. CHES faculty attending were Dean Delk, Vivian Hall Tanya Garvin, Nicole Lowe, and Kaitlyn Moses. There were several retired teachers that participated as well. I especially want to thank each of them for the support they give our organization in its effort to raise money for Forrest students. I also wish to thank all those that worked to make the event a success and look forward to our next Trivia Night in 2013. Hopefully we will grow to more than twenty teams at the next event.

## Alumni Banquet Entertainment

2012 marks an important benchmark for three Forrest Alums: It has been forty years since Johnny Rickman (Class of '65), Jimmy Rickman (Class of 67), and Phil Comstock (Class of '71) started performing together as the musical group "us two and him". These three guys have taken their homespun style of performing across the country entertaining for corporate functions, company parties and private gatherings.

As they reflect back on their time together, they are surprised to look at having been together for such a long time. When asked how, Phil says, "We just never quit!"

Johnny has written a number of the songs they perform in their shows. "Chicken Necks and Wings" tells of sitting at the second table as a small

child at a family reunion. "The Chapel Hill Ghost Light" has told the story of how the legend got started about the famed ghost light. Johnny says, "I have written songs that tell of growing up country – in Chapel Hill - and of the people that taught me life's lessons."

They have recorded four albums over the years and currently market two: us two and him, The Collection. This album covers the songs from the first three albums. Their latest album (or CD) is: us two and him – As Good As They Are Gonna Get.

Audiences have enjoyed their harmonies to the songs they perform. "We work with what we have – which isn't much – to blend our voices so it sounds OK," says Jimmy, "and when we get it right, we are as surprised as the folks listening!"

If you haven't heard them in a while they will be performing a few songs at our annual Forrest High School Alumni Association meeting this year. After the meeting, you are all invited to Horton Park where they will be performing to celebrate this remarkable 40 year anniversary.

### **Football – Class of '62 Style**

**from 1958 through 1961 when the**  
**boys from the Class of 1962 played on**  
**Lions Memorial Field and traveled to**  
**surrounding towns to compete. The**  
**following article was printed in the**  
**Lewisburg Tribune on March 27,**  
**1962.**

**The seniors of the Forrest Rockets**  
**have members of a football squad for**  
**four years that have compiled an**  
**enviable record. The team of 1961-**  
**1962 scored 337 points, a new school**  
**record, while limiting their opponents**  
**to 45 points. Their record for the four**  
**years of regular season play is 30 wins,**  
**5 losses, and 4 ties. They have been**  
**invited to four season bowl games**  
**appearing in the post Booster Bowl in**  
**Lewisburg in 1958 and 1959, the**  
**Kiwanis Bowl in Murfreesboro in**  
**1960, and the Blanket Bowl in**  
**Springfield in 1961. James Daughrity**  
**was named the most valuable player**

in the Blanket Bowl and Billy Curtis was named the most valuable player in the Duck River Conference in 1961. The DRVC all conference in 1960 included Gene Lane and Billy Curtis. Ray Harris, James Daughrity, Billy Curtis, and Gene Lane made the all conference team in 1961. Talented Doris Gentry was an outstanding quarterback who was able to play any position in the backfield. C.T. Joyce was a speedy halfback. Bo Warner and Donald Simpson were versatile men who were used in relief.

This splendid record is due in part to the capable coaching of Tom Sparkman who has been an outstanding mentor at Chapel Hill during the past six years.

The season started off in late August with Forrest traveling to Shelbyville to play an afternoon game in sweltering heat. Forrest lost 20-19 with an extra point being the difference in the game, but it should be noted that Forrest ran their extra point but in 1961 rules runs only scored one instead of two. Gene Pearce, Tennessean sports writer wrote about the game.

Shelbyville's Golden Eagles overcame a Rocket scare late in the fourth period to gain a 20-19 victory over Chapel Hill, thanks to some clutch kicking by 200-pound guard Eddie Womble yesterday.

The Eagles scored 13 quick points in the first half, but spunky little Chapel Hill came back to tie the game by intermission. On the second play of the final quarter, fullback Billy Curtis nabbed a Shelbyville pass and romped 50 yards for a touchdown. The

Rockets' James Daughrity, who scored the first two TDs, failed to score on the attempted run for the extra. The score stood 19-13.

Chapel Hill, which lost to the Eagles 33-0 last year, went into yesterday's game a 28-point underdog. The game is annually played in the sun because of the yearly Tennessee Walking Horse National Celebration.

Womble and his Shelbyville mates must be given credit for winning, but overall honors have to go to the Rockets' one-two outer space punch of Daughrity and Curtis, tandem triple-threaters who also star on defense.

Daughrity and Curtis chalked up 56 and 71 yards, respectively rushing but their tough defense was most telling. Curtis played a vicious middle linebacker. Daughrity played in the secondary and was noticeably seated on the bench because of an injury when the Eagles pushed their final TD home.

The Shelbyville game was followed by eight regular season wins. This earned the team an invitation to the Blanket Bowl in Springfield.

Opponent	Score
Shelbyville	19-20
Cornersville	26-0
Lynchburg	14-0
Spring Hill	56-7
Jo Byrns	41-0
Petersburg	61-0
Lynnville	48-0
Huntland	27-0
Centerville	32-6
Dover	12-1

In Springfield, Chapel Hill supported the Rockets through rain, sleet, and snow and the Rockets won their first post-season game for these seniors. The following article by an unknown author appeared in an unknown newspaper was found in a scrapbook.

The rockets of Forrest High School, Chapel Hill became the third Blanket Bowl champions Saturday night on Boyce Smith Field as they defeated the Dover Rebels 12-7. The Rockets fielded a veteran crew that has not lost a home game in the past three years. They have won the Duck River Conference four years in succession. This win pushed the Chapel Hill seasonal record to 9 wins and one loss. The lone defeat was a 20-21 squeaker to powerful Shelbyville of the Central Tennessee Conference.

Dover took the opening kickoff on their own 2 yard line and was able to get back only to the 4 before being stopped. The Rebels were never able to recover from this hole before the Rockets tallied their first TD late in the first stanza. The Chapel Hill drive began on the Dover 47. It took only five plays to hit pay-dirt as Tommy Joyce circled left end and went into the end zone untouched. The extra appoint attempt was fumbled and the score stood 6-0 Chapel Hill. The second quarter opened with the Rockets beginning a drive on their own 29 yard line. The eventually paid off with James Daughrity firing a seven yard pass to Harold Daughrity for the score. Highlights of this drive were a 22 yard run by fullback Billy Curtis and a 13 yard pass to Tommy Joyce. Only seven plays were used to bring about the tally. Curtis was

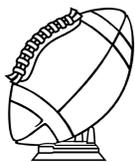

stopped short on the extra point attempt as the Rebels dug in to hold their goal line from being crossed again. Dover took the ensuing kickoff and marched for their score as if they meant business. They covered 58 yards in fourteen plays with Doris Threatt plunging over from the two. Don Cherry, reserve back came into the game to attempt the extra point from placement but instead of kicking he received the ball on a direct snap and fired a strike to end, Dillard Wyatt, who was all alone in the end zone. Both teams had the ball again before halftime but neither was able to pick up a first down. The last half was a defensive battle as neither team was able to cross their opponents' goal line even though Chapel Hill continually threatened until the final gun. The Rockets were stopped on the Dover 28 by downs, on the seven by an intercepted pass, on the one by a fumble, and on the 14 by the clock. The Rebels, who made only one first down the last half, got across midfield one time the last two quarters. That penetration was to the 47.

A wet snow with some sleet began falling in the first quarter and fell throughout the game but Coach Bill Craig of Dover would not use that as an alibi for his team losing. The stopping of the state's leading scorer who has averaged 7.5 yards a carry up until this game was the big reason for the "Chapel Hill victory. Doris Threatt who has tallied 170 points this year was held to 58 yards rushing in 19 carries for only a three yard average. In most of this games this year he has been able to break loose for the long gainer buy Saturday night a 12 yard gain was the best he could

muster. James Page was the outstanding ground gainer for the Rebels as he ground out 63 yards in 13 carries for almost a five yard average. Outstanding on defense for Dover was center Whitey Deep and guard Cecil Page. Both boys did an outstanding job of diagnosing plays and being at the correct spot at the correct time.

James Daughrity again led his team to victory as he has so often this year. He gained 106 yards in 24 carries from his tailback slot. Fullback Billy Curtis and blocking back Tommy Joyce spelled Daughrity as they picked up 52 and 46 yards respectively. The entire Chapel Hill line did a good job with individual performers being difficult to pick out.

Forrest Rockets from the Class of 1962, thank you for the memories. It seems just like yesterday!

### **Spotlight on the Class of 1987**

The following inscription is found on the front of the 1987 annual: "Class of '87 Graduates with Honor and Distinction...1975 was a dull, unhistorical year – that is until the month of August when the Class of '87 was enrolled in kindergarten at Forrest School. Each fall a new set of teachers greeted the class with fear and trepidation. Invariably, however, each teacher sent the class into the

next grade with new feelings of love and affection. The class of '87's capacity to get into trouble (and out of it) is unequaled by any previous group of students. This ability is tempered by their loyalty to the school and closeness to each other. Few, if any, senior classes will be able to fill the place the Class of '87 will leave behind."

Sixty-two seniors graduated in May of 1987. Of those sixty-seven, twenty-four had spent all thirteen years together at Forrest. They had started their education in the old building and finally, just before their graduation, saw the completion of Phase II of the building program to complete the front office, cafeteria, and theater. During this same school year, Forrest formed a girl's softball team coached by Katie Harris. A booster club was formed to support Forrest athletics. Forrest students, like so many others across the state of Tennessee, joined Honey Alexander's "Just Say No" campaign to battle underage drug and alcohol use.

## **Belated Thanks to the Class of '87**

To the members of the Class of 1987 – Thank you!!! In order to write the “Spotlight...” article, I spent some time turning the pages of the 1987 annual and reminiscing about your class. How can it have been twenty-five years? Your senior year was my first year to teach at Forrest. I had just spent six happy years teaching in another county, but Jay (my oldest son) had started to kindergarten, and I had realized that supporting two different schools would be more and more difficult as my children got older and more involved in school activities. So, when I heard that Forrest had an opening for an English teacher, I immediately applied for the position. In fact, I actually called Mr. Delk about the job from a pay phone at Opryland Theme Park! However, when Mr. Delk explained my teaching assignments and duties, I had to take a deep breath: 9<sup>th</sup> Grade Class sponsor, Beta Club sponsor, and 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> Grade English. Class sponsor - ok. Beta sponsor...that made me a little nervous, but Tammi Chrisman cheerfully informed me that she was the president, and that she knew what to do! I just followed her lead. I had been teaching sophomore and junior English at Community H.S....so no problem there. But SENIOR ENGLISH??? Yikes!! I had not taught senior English in eleven years, so this assignment was going to be a challenge. This is where the “thank you” part comes in. You were a wonderful class...you were patient, you were funny, you were easy to teach. No matter what the assignment, you tackled it and never

complained. You never whined that “This is not the way Miss So and So did it.” You just went with it. I remember one day in particular when I felt that I had really bungled the lesson on the day before. I apologized for making a mess, asked you to tear up your notes from the previous day, and told you we were starting that particular lesson over. I don’t recall that one single person complained...you just did it. You didn’t give me a hard time, and I loved you for it. You made my first year at Forrest a pleasant year when it could have been a disaster! Yes, that has been twenty-five years ago, and many seniors have passed through my room in that time. Some of them have even been your children! But you will always be special to me because you pulled me through that first tough year in a new school. So to the Senior English Class of 1986-87: THANK YOU!!!

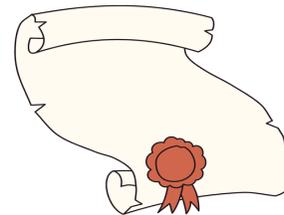

**Brenda Brown**

## Spotlight on the Class of 2012

On Saturday, May 19<sup>th</sup>, Forrest High School graduated ninety-seven seniors. On the previous Sunday morning, the seniors had been honored with the annual baccalaureate ceremony during which the salutatorian Paten Pruitt gave his final remarks to the class followed by the speaker Jay Brown (Class of '98). On graduation morning, the gym was filled with family and friends as the valedictorian Rachel Whaley took the class on a trip down memory lane, recalling experiences from their years at Chapel Hill Elementary School and at Forrest. After receiving their diplomas, the seniors moved their tassels and the members of the Class of 2012 officially became Forrest Alumni.
